# Holiday Assignment

## Class - XI- C

Dear Students,

At last the much awaited summer vacation has begun. It is a time for relaxation and enjoyment. As important as it is to rest & enjoy, it is also important to continue to learn. Strike a balance between work and play and allow yourself to grow in the process. Let vacation time be a doorway to creativity, learning, growth and joy. We have planned some very interesting Holiday Assignments/Projects for you this vacation.

These projects have been chosen with a lot of deliberation. Utmost care has been taken to ensure that you use your creativity, your innovative ideas and your imagination to shape your projects into beautiful, wonderful 'creations'.

We are giving you interesting activities and worksheets based on **Flip Learn Prime Modules**. Do them as instructed and submit your work after the vacation

**Important Note:**

It is mandatory to submit Holiday Assignments to all the subject teachers by 11<sup>th</sup> July 2018.

Marks are allotted for these Assignments and will be added in your Term-I subject enrichment activities/note book submission.

Relax, enjoy, have loads of fun and come back refreshed!!!

Warm Regards

---

## English

### Nothing worthwhile comes easy

1 It's all about individual responsibility and sincerity which brings a desired change. Keeping the same in mind, select two issues related to women empowerment and Environmental concern and design thought provoking posters on them in the most creative manner. Keep the format of poster making in mind while designing your poster.

2. Shoot your own video expressing your views on any one of these (Present Education system, Stress and Depression, examination system) to be utilized on a platform like TED TALKS. (Mandatory). Refer to Youtube Videos for a better understanding.

## Economics

- Complete the economics project and submit it in first week of July as per the below mentioned guidelines.
- Students will do only ONE comprehensive project.
- Some of the examples of the projects are as follows (they are not mandatory but suggestive):
  - (i) A report on demographic structure of your neighbourhood.
  - (ii) Changing consumer awareness amongst households.
  - (iii) Dissemination of price information for growers and its impact on consumers.
  - (iv) Study of a cooperative institution: milk cooperatives, marketing cooperatives, etc.
  - (v) Case studies on public private partnership, outsourcing and outward Foreign Direct Investment.
  - (vi) Global warming.
  - (vii) Designing eco-friendly projects applicable in school such as paper and water recycle.
  - (viii) Case study about any organisation.
  - (ix) (IX) Any other topic
- Make a project file of 15 – 20 pages. The format of the project will be as follows,
  - (1) Cover Page
  - (2) Acknowledgement
  - (3) Content
  - (4) Introduction
  - (5) Details of the Project
  - (6) Conclusion
  - (7) Bibliography.
