

THE MILLENNIUM SCHOOL HMEL

INTEGRATED HOLIDAY ASSIGNMENT

2018-2019

Class-2

WATER WORLD

THE MILLENNIUM SCHOOL, HMEL

Our summer holidays are here again
Ma'am told us all, as we jumped up and down
We squealed with delight and looked at her face
As she gathered us all in a warm embrace

May this holiday be a blessing sweetheart
Never let that smile from your face depart
May your days be filled with love and cheer
While you fill others' lives with joys so dear

Take mamma and papa for a trip out of town
Keep flashing that sun shine smile not a frown
father loads of jewels for your little crown
Be it yellow, purple, red, blue or brown

Take grandma and grandpa for a nature walk
Hold them close to your heart while they talk
Tell grandma to make you her magical dish
And please do tell grandpa your secret wish

Go to bed early with a dream in your heart
And wake up to greet the bright sun sweetheart
ll mamma to make yummy, cool and healthy food
While you enjoy this vacation in a happy mood

Ma'am told all these as we laughed and sang
Hip! Hip! Hurray with a joyful bang
She lovingly gathered us all in her arms
And made all of us feel so special and warm

Ma'am told all these as we laughed and sang
Hip! Hip! Hurray with a joyful bang
She lovingly gathered us all in her arms
And made all of us feel so special and warm

Dear Parent

Happy holidays with our little darlings!!!!

We are going to miss our little bundles of energy and will be waiting to have them back filled with joy, health and energy.

Allow the child to observe, explore and find his/her own solutions so that they enjoy doing their work. The Millennium philosophy of "life long learners" can only become a reality if learning comes from within, so let's together make this happen to our little ones and fill their wonder years with golden moments.

The Integrated Assignments will help children develop their skills and enhance the values imbibed in them.

Let every moment of this vacation be a time to unite, connect and enjoy beautiful moments with your child.

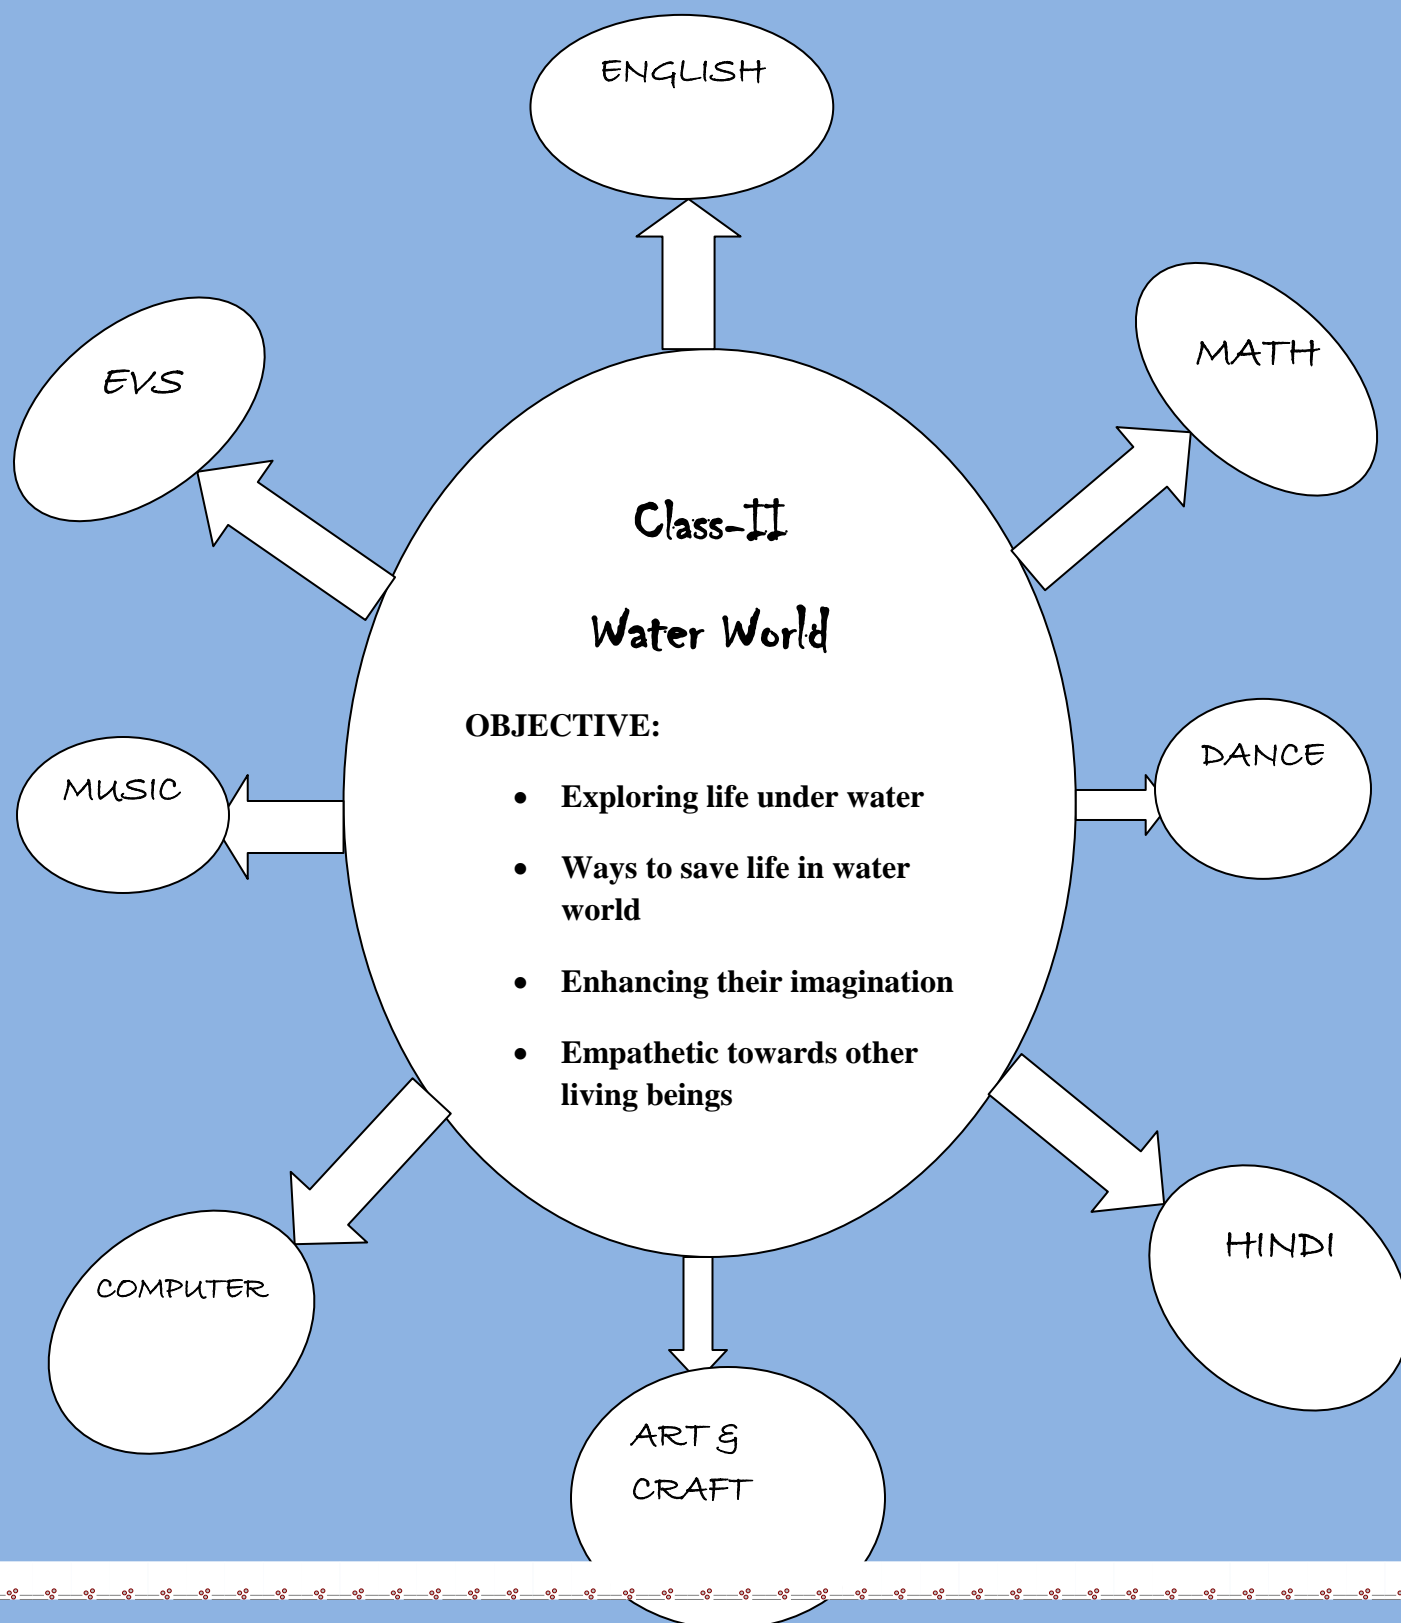

Thanking You

Regards

Class Teacher

HOLIDAY ASSIGNMENT

2018-2019

Activities for enjoyment

- ‘Work and Play are Equally Important’. Computer games are good. They sharpen your intellect, but what about the rest of your body? You do need some exercise, don’t you? Go cycling, play badminton, cricket, kho-kho, hide n’ seek anything that makes you run.
- Learn a new hobby– swimming, roller skating, cricket, karate, golf summer camp etc.
- Go for walks with your family. You will realize you have two of the greatest gifts of life....NATURE and your FAMILY.
- ‘Care and Concern’ this is your chance to look after your parents, grandparents, elders and even your younger brothers and sisters. You can surely be of some help to your family members. Ask your family members if they need some help and then do the needful.
- Visit new places along with your family and make a collage, using photographs on your return and show them to the class teacher, e.g., local historical sites can be visited.
- Read the newspaper daily.
- Read at least two books of your interest during the vacation. Maintain a self-made dictionary of the new words you come across while reading.

Guidelines

- The holiday assignment should be done as per the instructions.
- Manage your time in such a way that a little work is done every day and there is no piling up for the last moment. Keep a fixed time for doing your work every day.
- Do the work neatly as per the given instruction.
- Collect the materials required for the work in advance.
- Enjoy the activities so that the work becomes fun.
- Creativity and originality of the work will be appreciated.
- Your parents are requested to encourage you to do the homework independently.
- It should be submitted on or before 6th July 2018.
- Use FLIPLEARN Prime and encyclopedias for exploring more about the concepts.

Activities

Under water is a world more fantastic than any imagination could inspire.

Activity 1 :

There is a crazy world ...be curious to explore.

- Different kinds of animals are found under water.
