## THE MILLENNIUM SCHOOL, HMEL

Our summer holidays are here again  
Ma'am told us all, as we jumped up and down  
We squealed with delight and looked at her face  
As she gathered us all in a warm embrace

May this holiday be a blessing sweetheart  
Never let that smile from your face depart  
May your days be filled with love and cheer  
While you fill others' lives with joys so dear

Take mamma and papa for a trip out of town  
Keep flashing that sun shine smile not a frown  
father loads of jewels for your little crown  
Be it yellow, purple, red, blue or brown

Take grandma and grandpa for a nature walk  
Hold them close to your heart while they talk  
Tell grandma to make you her magical dish  
And please do tell grandpa your secret wish

Go to bed early with a dream in your heart  
And wake up to greet the bright sun sweetheart  
Tell mamma to make yummy, cool and healthy food  
While you enjoy this vacation in a happy mood

Ma'am told all these as we laughed and sang  
Hip! Hip! Hurray with a joyful bang  
She lovingly gathered us all in her arms  
And made all of us feel so special and warm Ma'am

Dear Parent

Happy holidays with our little darlings!!!!

We are going to miss our little bundles of energy and will be waiting to have them back filled with joy, health and energy.

Allow the child to observe, explore and find his/her own solutions so that they enjoy doing their work. The Millennium philosophy of "life long learners" can only become a reality if learning comes from within, so let's together make this happen to our little ones and fill their wonder years with golden moments.

The Integrated Assignments will help children develop their skills and enhance the values imbibed in them.

Let every moment of this vacation be a time to unite, connect and enjoy beautiful moments with your child.

Thanking You

Regards

Class Teacher

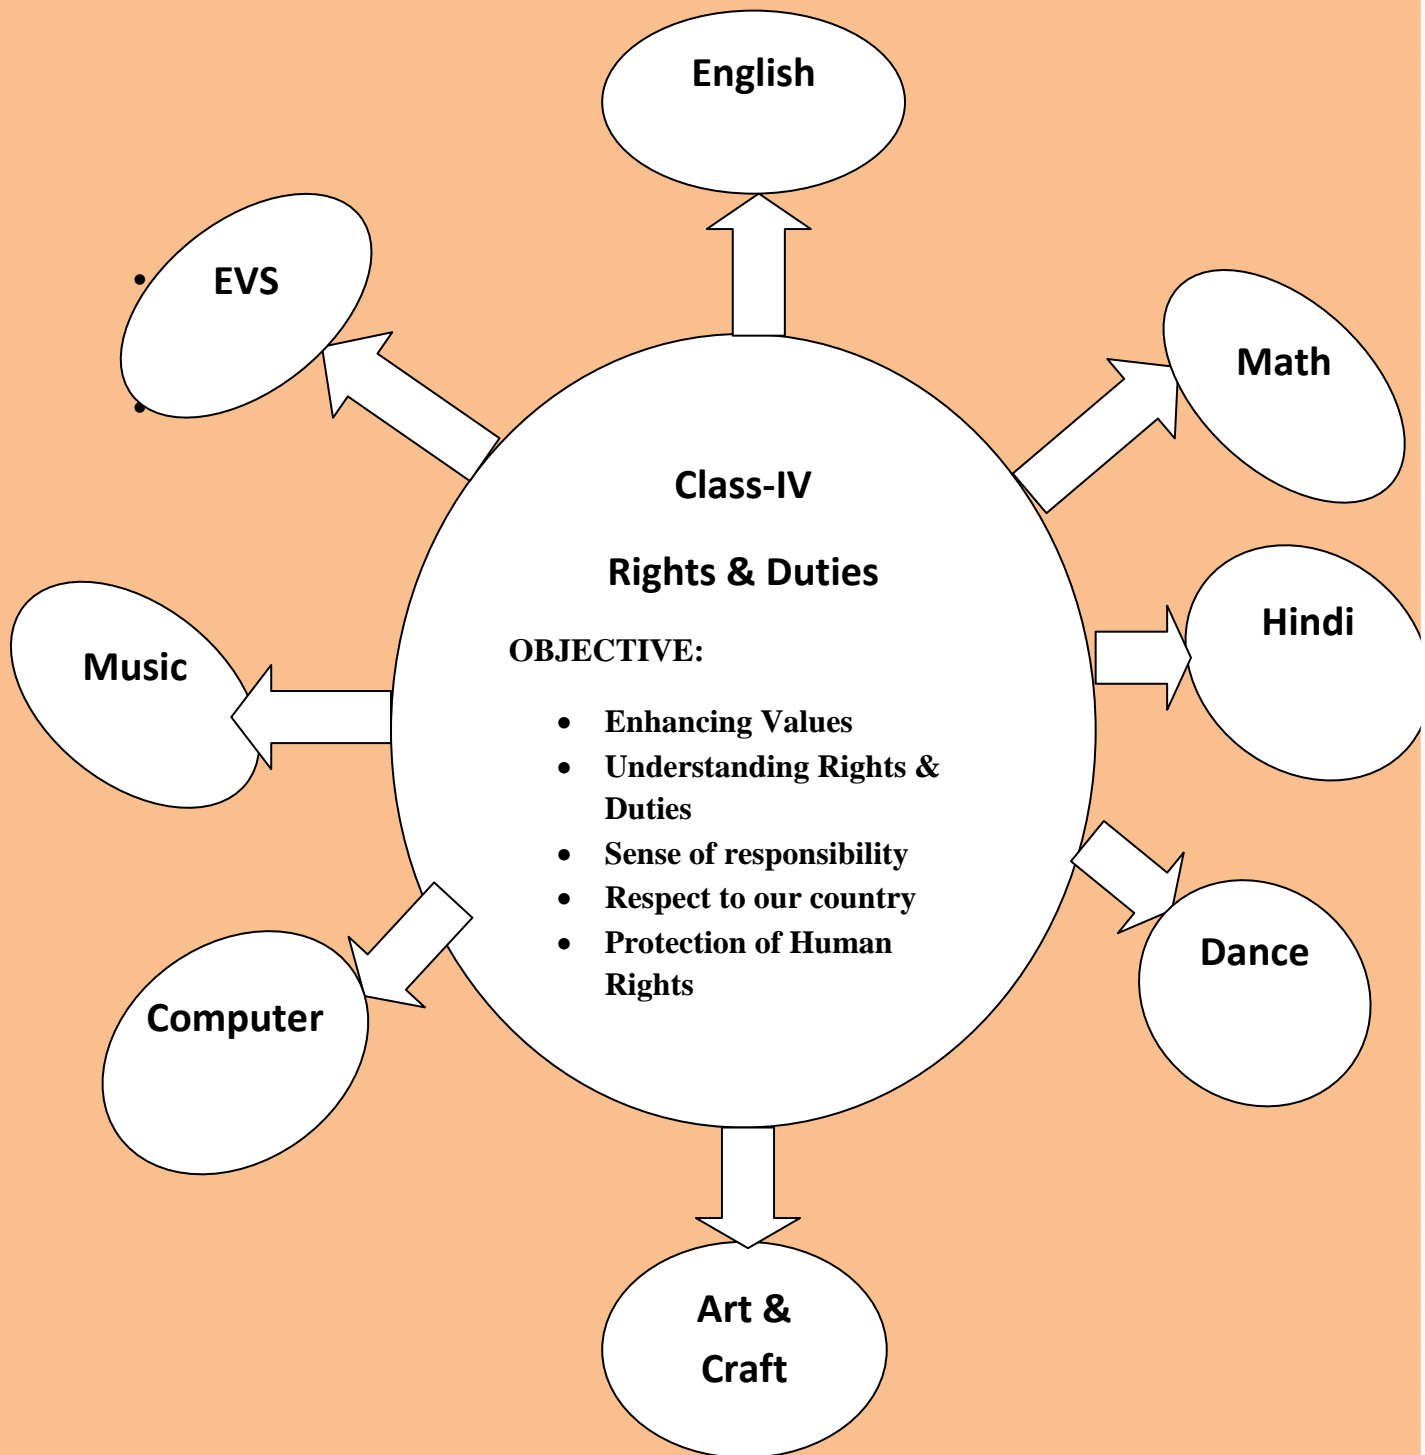

## **Activities for enjoyment**

- ‘Work and Play are Equally Important’. Computer games are good. They sharpen your intellect, but what about the rest of your body? You do need some exercise, don’t you? Go cycling, play badminton, cricket, kho-kho, hide n’ seek ..... anything that makes you run.
- Learn a new hobby– swimming, roller skating, cricket, karate, golf summer camp etc.
- Go for walks with your family. You will realize you have two of the greatest gifts of life....NATURE and your FAMILY.
